The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or “soft” skills – qualities like perseverance, conscientiousness, self-control, and optimism – play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

Helping Children Succeed – What Works and Why

Millions of students take the SAT each year as a step on their path to college. Visit our site to learn about the test, register, practice, and get your scores.
