Saltwater intrusion is the movement of saline water into freshwater aquifers, which can lead to contamination of drinking water sources and other consequences. Saltwater intrusion occurs naturally to some degree in most coastal aquifers, owing to the hydraulic connection between groundwater and seawater. Because saline water has a higher mineral content than freshwater, it is denser and has a ...

Graduate Scholarships. While less common than undergraduate scholarships, scholarships for graduate students are available. Graduate students rely heavily on fellowships or assistantships - especially in high-need areas like nursing or teaching - but these aren't available to everyone and don't always cover a graduate student's living expenses.
