Classroom Strategies. Explicit strategy instruction is at the core of good comprehension instruction. "Before" strategies activate students' prior knowledge and set a purpose for reading. "During" strategies help students make connections, monitor their understanding, generate questions, and stay focused. "After" strategies provide students an opportunity to summarize, question, reflect, discuss ...

Reciprocal teaching refers to an instructional activity in which students become the teacher in small group reading sessions. Teachers model, then help students learn to guide group discussions using four strategies: summarizing, question generating, clarifying, and predicting. Once students have learned the strategies, they take turns assuming the role of teacher in leading a
