The economic development in India followed socialist-inspired politicians for most of its independent history, including state-ownership of many sectors; India's per capita income increased at only around 1% annualised rate in the three decades after its independence. Since the mid-1980s, India has slowly opened up its markets through economic liberalisation.

This part of the globalissues.org web site looks at the conflict in the Democratic Republic of Congo. Media coverage is poor and yet there have been millions of refugees and over five million killed since the war began around August 1998. Yet the rich country leaders and their media drew everyone's attention to 2000 ethnic Albanians being killed in Kosovo (to gain support for a war there).
