Ageing or aging (see spelling differences) is the process of becoming older. The term refers especially to human beings, many animals, and fungi, whereas for example bacteria, perennial plants and some simple animals are potentially biologically immortal. In the broader sense, ageing can refer to single cells within an organism which have ceased dividing (cellular senescence) or to the ...

1C. Constructivism as a Theory of Active Learning. The basic claim of constructivism is that "people learn by using what they know to construct new understandings...[so] all learning involves transfer that is based on previous experiences and prior knowledge (How People Learn, pages 68, 236)." Therefore, when teaching any idea or skill a teacher should try to understand the "previous ...
