Benchmarking improves performance by identifying and applying best demonstrated practices to operations and sales. Managers compare the performance of their products or processes externally with those of competitors and best-in-class companies, and internally with other operations that perform similar activities in their own firms.

Contents. Download the Article (PDF, 192 KB). Naceur Jabnoun, Azaddin Khalifah, and Attahir Yusuf, University of Sharjah. Although quality management practices have been implemented by many organizations all over the world, such implementations have often failed.

Environmental Uncertainty, Strategic Orientation, and

Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...
