The World Development Report 2018 (WDR 2018) "LEARNING to Realize Education's Promise" is the first ever devoted entirely to education. And the timing is excellent: education has long been critical to human welfare, but it is even more so in a time of rapid economic and social change.

## **World Development Report 2018: Learning to Realize**

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, but learners may also educate

themselves. Education can take place in formal or informal settings and any ...
