Sexism is prejudice or discrimination based on a person's sex or gender. Sexism can affect anyone, but it primarily affects women and girls. It has been linked to stereotypes and gender roles, and may include the belief that one sex or gender is intrinsically superior to another. Extreme sexism may foster sexual harassment, rape, and other forms of sexual violence.

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...
