Homework is the debut studio album by the French electronic music duo Daft Punk, released on 20 January 1997 by Virgin Records and Soma Quality Recordings. The duo produced the tracks without plans to release an album. After working on projects that were intended to be separate singles over five months, they considered the material good enough for an album.

#7 the bobbin The bobbin is the lower thread, wound on a small circular spool. My machine is top-loading, and no bobbin case is required (pictured below on the left). Many machines are front-loading and require a metal case, known as a bobbin case, to insert the bobbin into the machine (pictured below on the right).
