Another step that wasn't mentioned to me the first time through was that it's not only just a matter of choosing another program, the user clicked Browse and navigated to Microsoft Office and then chose Word as the default program, setting it as the default for all files of that type (PDF). Then after a reboot, did the same thing only navigating to Adobe Reader the second time, and checking to ...

Characteristics. As "dark matter", baryonic dark matter is undetectable by its emitted radiation, but its presence can be inferred from gravitational effects on visible matter. This form of dark matter is composed of "baryons", heavy subatomic particles such as protons and neutrons and combinations of these, including non-emitting ordinary atoms.. Presence

Baryonic dark matter - Wikipedia

Dark matter is a hypothetical form of matter that is thought to account for approximately 85% of the matter in the universe, and about a quarter of its total energy density. The majority of dark matter is thought to be non-baryonic in nature, possibly being composed of some as-yet undiscovered subatomic particles. Its presence is implied in a variety of astrophysical observations, including ...
