From a macro and asset allocation perspective, we think we may be on the cusp of a secular shift where a new playbook for investing may be required. Most importantly, we now see a significant "baton hand-off" in many of the markets that we cover from monetary policy towards fiscal stimulus perhaps the most important shift in the last decade.

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of topics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-provoking.

It seems that people are having a hard time understanding how the deception works when it comes to Jews and their agents. Especially when people have been getting their information from these Jews and Jewish agents for such a long time, they come to a website like mine with a warped mentality, not unlike that of a child who is unable to discern fact from fiction.

The influence of social media platforms and technology companies is having a greater effect on American journalism than even the shift from print to digital. There is a rapid takeover of traditional publishersâ€™ roles by companies including Facebook, Snapchat, Google, and Twitter that shows no sign of slowing, and which raises serious questions over how the costs of journalism will be supported.
