The Politics of Representation: Writing Practices in

This article considers the centrality of political representation to feminist politics. It discusses the traditional theories of representation and then explains how scholars of gender and politics have used the term. The next section outlines the state of scholarship on the political representation and substantive representation of women.

Political Representation - Oxford Handbooks

For me this is the ultimate book on stereotypes and politics of representation. It is clear, warm and politically correct, without being sanctimonious, and provides answers about stereotypes. Pickering explains stereotypes' mechanisms and how historians can deal with them.
