Global politics, also known as world politics, names both the discipline that studies the political and economical patterns of the world and the field that is being studied. At the centre of that field are the different processes of political globalization in relation to questions of social power.. The discipline studies the relationships between cities, nation-states, shell-states ...

Politics of Sweden takes place in a framework of a parliamentary representative democratic constitutional monarchy. Executive power is exercised by the government, led by the Prime Minister of Sweden. Legislative power is vested in both the government and parliament, elected within a multi-party system. The Judiciary is independent, appointed by the government and employed until retirement.
