Since our founding by Clara Barton on May 21, 1881, the American Red Cross has been dedicated to serving people in need. We received our first congressional charter in 1900 and to this day we are tasked by the federal government with providing services to members of the American armed forces and their families as well as providing disaster relief in the United States and around the world.

Red hair (or ginger hair) occurs naturally in one to two percent of the human population, appearing with greater frequency (two to six percent) among people of northern or western European ancestry and lesser frequency in other populations. [citation needed] It is most common in individuals homozygous for a recessive allele on chromosome 16 that produces an altered version of the MC1R protein.
