I may be mistaken, but I was told by the printer that my 1999 book, *The Grammar of Graphics*, was the first book ever published in full color using PDF. The publisher was Springer Verlag. The printer was Canadian. They used a beta copy of Adobe PDF composing software and printed and bound my PDF files that I had produced using FrameMaker and Distiller.

The Story of X by Lois Gould Once upon a time, a baby named X was born. It was named X so that nobody could tell whether it was a boy or girl. Its parents could tell, of course, but they couldn't tell anybody else. They couldn't even tell Baby X - at least not until much, much later. You see, X was a part of a very important Secret

And here I have told you the story of two children who were not wise. Each sold the most valuable thing he owned in order to buy a gift for the other. But let me speak a last word to the wise of these days: Of all who give gifts, these two were the most wise. Of all who give and receive gifts, such as they are the most wise.
