First, I spent time throughout the entire summer with a team that was working on formulation and process development for a new drug. Because the process was continually changing the team needed a lot of monitoring to keep track of and assess their exposure to Methylene Chloride, a solvent used in the process.

hellish to see. It wasn't like a man; it was like some damned Juggernaut. I gave a view halloo, took to my heels, collared my gentleman, and brought him back to where there was already quite a group about the screaming child. He was perfectly cool and made no resistance, but gave me one look, so ugly that it brought out the sweat on me like running.

Just imagine how much cooler I'll be in summer. Dah dah, da doo, uh bah bah bah bah bah woo When life gets rough, I like to hold on to my dream, Of relaxing in the summer sun, just lettin' off steam. Oh the sky will be blue, and you guys will be there too When I finally do what frozen things do in summer. In summer!
