create a significant drag on the ability of the network to encompass all global financial transactions. It would instead be desirable to encompass all

The Bitcoin Lightning Network

Summary. FINRA seeks comment on proposed rule amendments that would revise the quantitative suitability obligation under FINRA Rule 2111 (Suitability) to more effectively address instances of excessive trading in customers' accounts. The proposed rule amendments would remove the element of control that currently must be proved to demonstrate a violation, but would not change the obligations ...
